PROFILE

I am a student in the Web Development Technician program, where I have learned to integrate with different systems. In addition to acquiring skills in various technologies, such as Angular, I have solid knowledge in both front-end and back-end technologies. This enables me to approach web development comprehensively.

EXPERIENCE

SALESFORCE DEVELOPER (INTERN)   May 2022 – Nov. 2022

- Implementation of Agile Methodologies (Scrum)
- Resolution of User Stories in JIRA
- Proficiency in OmniStudio
- Development with Lightning Web Components (LWC)
- Development with Apex
- Utilization of deployment tools like COPADO
- Writing technical documentation and impact analysis
